POWERFUL 562CC ENGINE WITH EURO5 COMPLIANT

The TMAX 560 harnesses the power of the 562cc, 2-cylinder engine to produce breathtaking torque and acceleration. Along with Yamaha Chip Controlled Throttle (YCC-T) system, it gives a smooth and controlled power delivery for such a high-revving, high-performance engine.

PERFECTLY REFINED EXHAUST NOTE

The sound produced by the engine is tuned to match low-frequency sounds, making for a powertrain with a high-quality sound that is un-muddled, alluring and satisfying.

CRUISE CONTROL FOR COMFORT

Considerably equip for long distance riding – and for added comfort and enjoyment, the Cruise Control system enhances the touring experience.

ADVANCED TRACTION CONTROL SYSTEM & D-MODE

The TMAX 560 is fully equipped with the most advanced electronics to give you the ultimate level of controllability. The Traction Control System helps prevent wheel slip while the 2-level D-MODE gives you the option of switching to smooth power delivery around town or more powerful and sporty performance on the open road.

Luxury on Motion

MONOTONE TFT INSTRUMENT PANEL

The TMAX 560 is equipped with a high quality monochrome TFT multi-function instrument panel which incorporates a speedometer on the left and a tachometer on the right – while the central displays various indicators including fuel consumption, D-MODE, ABS and TCS.

REDEFINED REAR NEW DESIGN

The All-New rear view design of the TMAX 560 is further complimented by a uniquely designed T-shaped rear light which uses LED light guides for a more distinctive look.

TMAX 560

EXQUISITE BODY DESIGN

Equipped with a new Compact LED 3-bulb turn signal and a specially designed 'boomerang' side sections to give a more dynamic and modern appearance.

SOPHISTICATED SUSPENSION

Equipped with high-specification gold-colored 41mm upside down front forks with premium black finish, this optimized suspension system with dual channel ABS provides a smoother and comfortable ride.

LIGHTWEIGHT ALUMINIUM CHASSIS

At the heart of the bike is a lightweight die-cast aluminium twin-spar frame, with optimized rigidity balance, that lets riders enjoy the full effect of the 560cc engine and CVT transmission.

Luxury on Motion

ELECTRONIC ADJUSTABLE WINDSCREEN

One of the most significant comfort-enhancing features is the exclusive electric screen that can be adjusted by 135mm up or down, enabling riders to select the optimum setting.

SMART KEY WITH CENTRAL STAND LOCKING SYSTEM

Yamaha's 'Smart Key' keyless system allows TMAX riders to start the engine, unlock seats and other compartments, as well as prevent unauthorized use for added peace of mind.

COMFORTABLE HEATED GRIPS AND SEAT

Stay warm and comfortable on every journey whatever the weather thanks to the heated grips and heated seat that make every ride more enjoyable.

FOR THE JOURNEY AHEAD

In addition to TMAX 560's premium features is the large 15.0L fuel tank to bring you further on your journey, as well as a huge under-seat compartment space to accommodate your storage needs.
